

## Kids Christmas Wonderland

Come and enjoy Christmas Art & Crafts, Canvas Painting, Chinese Calligraphy, Floral Art and Origami as you will learn to capture your own creativity and make exquisite Christmas decorations and gifts to take back home. Join us to listen to the most beautiful Christmas stories and bring them alive through puppet, pop-up cards and book-making. Be enchanted by the school choir Christmas carols and Harp concert. Do not forget to express yourself with our interactive mural painting and to stop by our "School Christmas Tree" decorated by our students to sponsor a book for the school while getting one or several unique Christmas decorations.

Find your "Lucky Star", make a wish and become part of the "Giant Wishes Garland" before bouncing on our Christmas Bouncy Castle or glitter like little stars at our Kids Spa corner. You will also have a unique occasion to learn the French game of boules, popular throughout the world, and participate to our Christmas Petanque Tournament for parents and children!

Before leaving, take part in a fabulous Magic Show in the Auditorium and do not forget to take a family photo with Santa himself while you discover our fabulous Christmas Shopping with over 50 Stalls.
