

READCONNECT READATHON

Dear Hong Kong parents and children,

Join Bring Me A Book Hong Kong's REAdCONNECT Readathon!
Support more families and children to connect through reading aloud together!

In Hong Kong, 4 in 5 children spend over 4 hours on their devices each day. Excess screen time distracts us away from our loved ones. In a heavily digitalised world, how can we reconnect meaningfully?

Let's REAdCONNECT to raise funds!

Support our cause by joining in our REAdCONNECT Readathon. Each time you read book, share with your family and friends. Invite them to sponsor you!

Reading aloud sparks regular conversations, allowing us to better understand and empathise with each other. Families that read together enjoy stronger bonds and create more memorable experiences.

Bring Me A Book (BMABHK) is a s.88 Registered charitable organisation. We envision a Hong Kong in which every child is read to, strengthening family and community bonds and creating a love of learning. Since our establishment in 2006, we have installed over 520 libraries to improve access to quality Chinese and English picture books. Over 200,000 children across Hong Kong have benefited from our community workshops and storytelling sessions.
